LANDMARK BRICK PROJECT

Visitors to the Alden House constantly admire our brick pathways with hundreds of engraved bricks in honor of family and friends. We are delighted to announce a very special opportunity! In commemoration of the designation of the John and Priscilla Alden National Historic Landmark Sites, a limited edition Landmark Alden Brick is now available. These new bricks will include a special Landmark logo in addition to your personalized message.

Proceeds will help ensure that the Alden story and homestead thrive in our *Landmark Century of Preservation*. These new bricks are engraved with a special process, Vitralase®, which fills the laser cut letters with hardened glass. This method is guaranteed to make the letters as durable as the brick's surface without fading.

These bricks are standard 4x8x2¼ pavers, and will be installed in the area between the Alden House and barn according to the number of bricks available. The cost is \$150.00 per brick (a portion of which is tax deductible).

Inscriptions may be up to three lines of twelve (12) characters (including spaces) each. Names are not restricted to members of the Alden Kindred.

You may order as many bricks as you wish, just fill in the inscriptions desired on the back of this page. All bricks on the same order will be placed together — if you wish to have your bricks placed with other family members who are ordering separately, please include special instructions.

Order soon — Landmark Phase ends March 1, 2010 to allow for installation in the summer of 2010.

Please complete and return this entire form, including inscriptions on the back to: Alden Kindred of America, PO Box 2754, Duxbury, MA 02331-2754.
